## Membership Goal Setting Worksheet

District 7680  
Mecklenburg County-  
South

This worksheet will help you set your membership growth goals and calculate the number of **new members needed** to reach your goal. Actual data for your club is in the table below

Annual **Attrition Rate** (3-year average): **12.1%**

Annual **Attraction Rate** (3-year average): **12.1%**

Annual **Net Growth Rate**: **%**

### Success Targets

Attrition **less than 15%**

(July 1 membership x .15)

Attraction **5% greater than Attrition**

The problem we need to solve is:

- ☐ Low Retention -- Our Attrition Rate Exceeds 15%
- ☐ Insufficient New Member Attraction - Our Attraction Rate is less than 5% above our Attrition Rate
- ☐ Neither - We need to build on our current membership growth culture and strategies
